Re: Consent Order Noncompliance Regarding Bosma Liberty Lagoon 18
Administrative Order on Consent ("Consent Order")
Docket No. SDWA-10-2013-0080
Yakima Valley Dairies, Washington

Dear Mr. Larsen:

This responds to Meredith Weinberg's November 29, 2021 letter to Jennifer MacDonald and me.

Respondent's November 29, 2021, letter does not adequately respond to the questions in EPA's November 1, 2021, letter. Respondent's letter is vague, expresses unsupported opinions, and does not include Respondent's certification.

Provide a separate, complete response for each question in EPA's November 1, 2021, letter that are designated as items 1a through e, and 2a through h. List each EPA question in your letter and provide a separate, specific response for each. For each, provide as specific information as you are able. If Respondent has no relevant information, state, "Respondent has no responsive information."

For example, in response to item 2.a, provide specific dates of discovery and response, identify individuals by name, the specific action(s) of each individual, and where and when the action(s) were performed.

You may contact me at (206) 553-6904, or your legal counsel may contact Jennifer MacDonald at (206) 553-8311, if you have any questions regarding this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Winiecki".

Eric Winiecki
EPA Project Coordinator
Enforcement and Compliance Assurance Division
